## Perfect plants and animals

In our gardens we have some amazing plants. Some are edible and all of them look nice. We also have herbs and flowers such as mint, chives, perennial, cosmos and fennes, which we look after so they stay very healthy. Each year group has a section of the garden to look after which is split into two parts; outside year 5 at the top of school and next to the learning lodge behind year 2 – where there is a minibeast hotel with spiders and other insects.

## Scarecrow Festival

The school and all over Ben Rhydding have taken part in the Ben Rhydding Scarecrow trail. The school made Horrid Henry themed scarecrows of Horrid Henry and Miss Battleaxe. They were at the school gates and also places like playgroup, houses behind the school and all round town.

This is a picture of the scarecrows the school council and PTA made. They have made them for several years in a row now. Our school has been getting involved with lots of events around town including The Carnival, The Yorkshire Writer 500 words Competition and the Tour de Yorkshire. The School love making them and want to carry on doing them for a long time.

## Enterprise

Year 6 have been working very hard to come with ideas to have stalls selling various products at the fair. These include t-shirts, squishy toys, bath bombs and more!

However, they have decided not to do pre orders but they will be doing their assemblies soon so you will get to see more of their products. They will also be doing another round of surveys to see what people want .

The fantastic fair is back in town - I can't believe it too. It's that time of year again! We have an arrange of fun stalls you just can't miss. IF YOU EVEN THINK ABOUT MISSING ONE SINGLE STALL YOU ARE BONKERS!

### Super stalls

There will loads of super stalls like a delicious brilliant barbecue, a sugary sweet raffle, gobsmacking games, famous photo booth. Year 6 are becoming entrepreneurs with their big money business ideas.

### The famous photo booth

If you're that person who wants a photo showing the inner craziness of you're family while their young and still want to take photos with you come to here. so you can embarrass them as teen definitely or just have a space for a picture in you're house .

### The sugary sweet raffle

Warning if you are reading this as an adult you will not want to read this trust me. So kids yes you may have heard there is a sugary sweet raffle but kids we may be sounding like parents now but please try not use all your parents change. As there is more to spend your money worth on.

### Gobsmacking games

Yes you may be a very competitive person then you will love all of our amazingly addictive range of games to your liking. Yes including I think the favourite games is the coconut hit you will definitely want to try if you have not before.

### Brilliant Barbecue

Along with all the other amazing stalls there will be a range of delicious food. If you're that person who's always hungry then you will need a some food.

## The Fantastic Fair

All you need to know, right here!

### The Ben Rhydding Bolt

The Ben Rhydding Bolt is a great way to get you and your parents moving. It takes place as part of the school fair, starting at 3:30 with the KS1 race then the KS2 race and finishing off with the childrens favourite, the adults race. It also will help keep you fit and all finishers will receive an ice pop and a golden sticker.

You will be able to cheer your parents on as they run round the course. The KS1 race will be 1/2 a mile, the KS2 race will be 1mile long and the adults race will be 2 miles long. We hope you have a great day!

## Bradford City Penalty Shootout

On the 4<sup>th</sup> June, the school had a penalty shootout with the help of Bradford City Community Foundation. The children raised money which will be split between the foundation – who help promote healthy lifestyles and inclusion throughout Bradford, and the school itself. Pupils took four penalties against the Bradford City mascot, Billy Bantam and were all “amazing”.

When interviewed about what he would do with money raised, Mr Hartford said, “Well, I am planning on using it on the yard but I will let pupils choose.” He also said it was Ms Copeman’s idea who got in touch with them and got them into school as soon as possible. We have raised over £1,000 for the school.
