

OPEN INFORMATIONAL DAYS BEN RHYDDING PRIMARY SCHOOL

Is your child starting school in September 2024?

We are a one form entry school and our school journey starts with our reception entry level for students age 4-5 and ends with Year 6, though the legacy of learning we provide continues beyond this!

We have a balanced, holistic curriculum, starting in Reception where pupils learn vital skills of responsibility, develop the foundations of reading, writing and maths and where children learn how to play, interact and manage their own feelings and relationships. Following this, they transition to a more structured setting, though still filled with opportunities for real world, meaningful learning and this is where they begin to truly mature as independent and reflective learners.

In addition to our strong academic program, our children have the opportunity to enrol in some of our school clubs and music classes that teach everything from drumming to guitar, multi sports, netball, Lego, pop choir, and Jiu jitsu in our school hall, playground area or on our playing fields. We seek to provide an environment that nurtures values of learning such as empathy, patience, courage and curiosity and an opportunity to excel across the curriculum; as such we want them to have access to a World Centered Curriculum, where they learn the skills to help not just adapt to the wider world but have some part in reshaping it in the future. Throughout their time at school we ask children; *what might you learn, what might you contribute and who might you become?*

We would like to extend an invitation to you and your family to come visit the school for our open visit. You will get a chance to meet Miss Alston, our Reception Teacher alongside Mr Timms, our Headteacher. We look forward to getting to know you and answering your questions about our school, our community, and the admission process.

Please call 01943 431133 or email office@benrhydding.bradford.sch.uk to register to attend one of the events listed above.

Kind Regards,

Mr P. Timms
